## WORK EXPERIENCE

---

### **Give a Goat**

*Creative+Marketing Director*

08/2010 - Current

I create and develop marketing and promotional materials via web, print, and social media, as well as develop web applications for administration usage.

### **Oklahoma Christian University Marketing Department**

*Internship*

10/2009 - 05/2010

I worked with faculty members on campus and with the other members of the marketing staff to provide top-notch websites, poster designs, illustrations, and anything else they threw at me.

### **North Institute**

*Internship*

03/2008 - 10/2009

I programmed and designed web and mobile applications for iPhone, used by Professors and Students on campus — as well as set up and monitored some of the web servers used by web apps.
